# FREQUENTLY ASKED QUESTIONS

## Do I need my own clothing?

Yes you do. sporty clothing, biking gloves and outdoor shoes are recommended.

## How is the weather in Lapland?

During the summer season it can be anything between -1°C and +30°C. Typically something between 10°C and 20°C. We ride in almost any weather, but when it's raining really hard we may shorten the activity time.

## What if a storm hits?

Sometimes mother nature hits hard and you need to respect that. When it really storms outside, and it's not safe to go outside, Let's have a discussion about the conditions with your guide and see if we can do something. In case of unrideable weather, we just skip the tour and pay your money back.

## Is mountain biking safe?

At mountain biking there is always a risk to hurt yourself, like any other sport. But still we think yes, it is safe. If you have ever been cycling on a regular bike and you felt safe, you can feel safe on our tours too. We never go to dangerous trails with beginners and if you are a more experienced rider you should know your limits. Either way, you need to have valid travelers' insurance to attend our tours.

## Cancellation policy

- Any cancellation made at least three (3) calendar days to the tour departure time, will be refunded 100%
- Any cancellation made 3-1 days prior to the arrival 50% of the total amount.
- Any cancellation made within 24 hours in advance of the scheduled tour time, will attract a 100% penalty.

All cancellations must be submitted in writing to the Company and received by Roll Outdoors within the timeframes outlined above to be eligible for a refund.
